

2025 Sunday Womens Pennant Joye Burton Salver – Sunnyday 25 May 2025

It was a sunny morning at Anglesea Golf Club where 16 teams representing all clubs involved in the Sunday series competed for the prestigious Joye Burton Salver in 4bbb Stableford.

Anglesea Captain John Owen was on hand to register & steer players to their starting tees. Anglesea players Marg & Mary made sure morning tea was not overlooked & the home cooking reputation of Anglesea remains intact.

Delightful weather & a well groomed course delivered some very good scores particularly for some visiting players.

SWGA Life Member Joye Burton was on hand present trophies & to give background information to players on the development of Sunday pennant one of the many things she was very much a part of in the district.

The Barwon Heads duo of Sally Ludlow & Amanda Derham, hot off winning the Sunday flag at Anglesea returned the best score with 42 points.

The local pairing of Marg McCarthy & Maria James were runners up with 39 points sneaking in on a countback from Tamm Curtis & Shirley Cassin.

A snug shot, “the only one all day” was by Barwon Head’s Deb Fowler who took out the NTP on the 3rd.

On behalf of all players a big thankyou to Anglesea GC for hosting the Joye Burton Salver for 2025.
